This opinion is subject to editorial correction before final release.

**PER CURIAM:**

The approved findings and sentence are correct in law and fact, and no error prejudicial to the substantial rights of the appellant occurred.\* Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000).

---

\* The Court notes that the Court-Martial Order (CMO), dated 14 December 2011, incorrectly omits the name of the accused in the last line of the specification of Charge II. It should correctly read “. . . and was then known by the said MSgt Darren R. Andrews to be so false.” The Court orders the promulgation of a corrected CMO.

Although the Record of Trial does not make it clear, counsel for the appellant has confirmed that the appellant was served with the record of trial and the Staff Judge Advocate’s Recommendation, and that it was the accused’s election to waive submission of matters in clemency.

Accordingly, the approved findings and sentence are

AFFIRMED.
