This opinion is subject to editorial correction before final release.

PER CURIAM:

The approved findings and sentence are correct in law and fact, and no error prejudicial to the substantial rights of the appellant occurred. Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000).¹

¹On 15 May 2013, the appellant's defense counsel submitted the case to this Court on its Merits. On 8 May 2013, this Court returned this case to the Convening Authority because we determined that the original Action, dated 29 September 2012, was ambiguous. The Convening Authority signed a substituted Action, dated 21 May 2013, and returned the case for appellate review. On 23 July 2013, the appellant's counsel notified this Court that he reviewed the new Action and did not wish to submit additional matters.

Accordingly, the approved findings and sentence are

AFFIRMED.
