Appellate Military Judges**

This opinion is subject to editorial correction before final release.

**PER CURIAM:**

The appellant was convicted, in accordance with her pleas, of one specification of conspiracy to obstruct justice and one specification of obstruction of justice, in violation of Articles 81 and 134, UCMJ, 10 U.S.C. §§ 881, 934. Her approved sentence consists of a bad-conduct discharge, confinement for 30 days, and reduction to E-1.

This case is before our Court for the second time. In *United States v. Putman*, ACM S31546 (A. F. Ct. Crim. App. 16 Jul 2009) (unpub. op.), we affirmed the findings. However, because the Action was incorrect, we returned the record to the Judge

Advocate General for remand to the convening authority to withdraw the erroneous Action, substitute a corrected Action, and promulgate a corrected Court-Martial Order.

On 17 August 2009, the Action and Court-Martial Order were accomplished in accordance with the Court's directions.

*Conclusion*

The approved findings were previously affirmed by this Court. The approved sentence is correct in law and fact, and no error prejudicial to the substantial rights of the appellant occurred. Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000). Accordingly, the approved sentence is

AFFIRMED.
