PER CURIAM:

On 24 December 2003, in an unpublished opinion, this Court affirmed the findings and sentence in the case *sub judice*.<sup>1</sup> The appellant appealed and, on 25 August 2005, our superior court reversed our decision and set aside the findings of guilty as to Charge I and its Specification and as to Specification 1 of Charge II. It affirmed the findings of the remaining offenses while setting aside the sentence. Our superior court authorized a

rehearing and returned the case to The Judge Advocate General. See *United States v. Rollins*, 61 M.J. 338 (C.A.A.F. 2005).

A rehearing was duly convened on 21 March 2006. At the rehearing, the appellant was convicted, consistent with his pleas, of one specification of indecent assault and one specification of indecent acts with a child in violation of Article 134, UCMJ, 10 U.S.C. § 934. He was sentenced by a military judge, sitting alone, for these offenses and the two surviving offenses<sup>2</sup> from his original trial. The adjudged sentence was a dishonorable discharge, confinement for 13 years, total forfeitures, and reduction to E-1. The approved sentence, pursuant to a pretrial agreement, includes a bad-conduct discharge, confinement for 5 years, and reduction to the grade of E-5.

This case is now before this Court for further review. The appellant has not assigned any error in the findings or the sentence nor, in conducting our new review, have we found one. We therefore conclude the findings and sentence are correct in law and fact and no error prejudicial to the substantial rights of the appellant occurred. Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000). Accordingly, the findings and sentence are

AFFIRMED.
