\* We note two errors in the corrected promulgating order. With respect to the language of Specification 2 of the Charge, the order incorrectly reads “. . . he believed to be a child who had attained the age of 16 years . . .” whereas the specification alleges “. . . he believed to be a child who had not attained the age of 16 years . . .” The order contains a similar error with respect to the language of Specification 3. We direct the publication of a second corrected court-martial order to remedy these errors.
