Before

WISE, BRAND, and HEIMANN
Appellate Military Judges

This opinion is subject to editorial correction before final release.

PER CURIAM:

This case is before our Court for further review because the original general court-martial promulgating order incorrectly identified the Article number of the Charge of which the appellant was convicted. The Court returned this case to The Judge Advocate General for remand to the convening authority for correction. On 7 August 2007, the Court received the corrected copy of the order. This case came to the Court for further review with no additional assignments of error.

Conclusion

The approved findings and sentence are correct in law and fact, and no error prejudicial to the substantial rights of the appellant occurred. Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000). Accordingly, the findings and sentence are

AFFIRMED.
