UNITED STATES,)	ACM 37536
Appellee)

v.)	
)	ORDER
Airman Basic (E-1))	
KAYLA D. SNIPE,)	
USAF,)	
Appellant)	Panel No. 1

Upon this Court’s review of the above styled case, it was determined that Prosecution Exhibit #14, contained in Volume 10 of the original Record of Trial, appears to be unrelated to this matter. Subsequently the Court requested that the Military Justice Division of the Air Force Legal Operations Agency (AFLOA/JAJM) contact the legal office at Barksdale Air Force Base in an attempt to obtain the correct prosecution exhibit.

On 06 August 2010, this Court was notified that copies of Prosecution Exhibit #14 were “unreadable” and that the original exhibit that was viewed in-camera was unable to be located.

Accordingly, it is by the Court on this 6th day of August, 2010;

ORDERED:

That counsel for the appellant show cause as to whether Prosecution Exhibit #14 is directly necessary to the appellate review of this case by the Court. The appellant’s brief in compliance with this order is due to the Court, no later than 23 August 2010.

IT IS FUTHER ORDERED: That counsel for the United States shall submit any response, no later than 7 days from the date the appellant's brief is filed with this Court.
