Appellate Military Judges

This opinion is subject to editorial correction before final release.

PER CURIAM:

This case is before our Court for further review because the original action was set aside. *United States v. Tiller*, ACM 36733 (A.F. Ct. Crim. App. 24 Sep 2007) (unpub. op.). This Court returned the case to The Judge Advocate General for remand to the convening authority for a new action because the original action, specifically the forfeitures, was ambiguous and did not comply with Rule for Courts-Martial 1003(b)(2). On 5 October 2007, the convening authority completed a new action to comply with our holding. This case came before this Court for further review with no additional assignments of error.

Conclusion

Having previously held the findings to be correct in law and fact, we hold the sentence to also be correct in law and fact, and no error prejudicial to the substantial rights of the appellant occurred. Article 66(c), UCMJ, 10 U.S.C. § 866(c); *United States v. Reed*, 54 M.J. 37, 41 (C.A.A.F. 2000). Accordingly, the findings and sentence are

AFFIRMED.
