U.S. Air Force)	
<i>Appellant</i>)	Panel 2

On 31 March 2025, counsel for Appellant submitted a Motion for Enlargement of Time (First) requesting an additional 60 days to submit Appellant's assignments of error. The Government opposes the motion.

The court has considered Appellant's motion, the Government's opposition, this court's Rules of Practice and Procedure, and applicable case law.

Accordingly, it is by the court on this 2nd day of April, 2025,

ORDERED:

Appellant's Motion for Enlargement of Time (First) is **GRANTED**. Appellant shall file any assignments of error **not later than 7 June 2025**.

Counsel should not rely on any subsequent requests for enlargement of time being granted. Each request will be considered on its merits.

Appellant's counsel is advised that any subsequent motions for enlargement of time shall include, in addition to the matters required under this court's Rules of Practice and Procedure, statements as to: (1) whether Appellant was advised of Appellant's right to a timely appeal, (2) whether Appellant was provided an update of the status of counsel's progress on Appellant's case, (3) whether Appellant was advised of the request for an enlargement of time, and (4) whether Appellant agrees with the request for an enlargement of time. Counsel is not required to re-address item (1) in each subsequent motion for enlargement of time if counsel previously replied in the affirmative.

Counsel may request, and the court may order *sua sponte*, a status conference to facilitate timely processing of this appeal. *See* A. F. Ct. Crim. App. R. 23.4.

Appellant's counsel is further advised that any future requests for enlargements of time that, if granted, would expire more than 330 days after docketing, will not be granted absent exceptional circumstances.
