* We note several errors in the court-martial order with respect to the Specification of the Charge, the pleas, and the findings. Specifically, the order omits the words “on divers occasions” from the Specification; it fails to reflect Appellant pleaded “not guilty” to the words “on divers occasions” by exception; and it fails to reflect the words “on divers occasions” were withdrawn and dismissed after arraignment. We direct the publication of a corrected court-martial order to remedy these errors.
