**TO THE HONORABLE, THE JUDGES OF THE
UNITED STATES AIR FORCE COURT OF CRIMINAL APPEALS:**

Pursuant to Rule 23.3(m)(3) and 23.3(m)(6) of this Honorable Court’s Rules of Practice and Procedure, Appellant hereby moves for his fifth enlargement of time to file an Assignment of Error (AOE). Appellant requests an enlargement for a period of 30 days, which will end on **14 May 2022**. The record of trial was docketed with this Court on 16 September 2021. From the date of docketing to the present date, 203 days have elapsed. On the date requested, 240 days will have elapsed.

On 28 July 2021, consistent with his pleas, a military judge sitting alone found Appellant guilty of one charge, one specification of being absent from his place of duty, in violation of Article 86, Uniform Code of Military Justice (UCMJ); one charge, one specification of wrongfully using marijuana, in violation of Article 112a, UCMJ; and one charge, one specification of assault, in violation of Article 128, UCMJ. R. at 56. The judge sentenced Appellant to reduction to the grade of E-1, 89 days of confinement, and a bad conduct discharge. Record of Trial (ROT), Vol 1, Entry of Judgment. The convening authority took no action on the findings or sentence. ROT, Vol 1, Convening Authority Decision on Action.

The record of trial consists of five prosecution exhibits, eight defense exhibits, two appellate exhibits, and one court exhibit. The transcript is 91 pages. Appellant is not currently confined.

Counsel is currently assigned 18 cases; 13 cases are pending initial AOE's before this Court. Through no fault of Appellant, undersigned counsel has been working on other assigned matters and has not yet started his review of Appellant's case. Appellant is aware of his right to speedy appellate review, extensions of time, and consents to this enlargement of time. Six cases have priority over the present case:

1. *United States v. Cunningham*, ACM 40093 – Appellant was tried and convicted at a general court-martial by a panel of officer and enlisted members at Ellsworth Air Force Base, South Dakota of one charge and one specification of murder, in violation of Article 118, Uniform Code of Military Justice. Record (R.) at 1252. The record of trial consists of 18 volumes. The transcript is 1,362 pages. There are 36 Prosecution Exhibits, 13 Defense Exhibits, and 97 Appellate Exhibits. Appellant is currently in confinement. Counsel has identified all issues he intends to raise on Appellant's behalf and is finalizing the brief on these issues. Thereafter, he will finalize Appellant's *Grostefon* submissions. Barring unforeseen circumstances, counsel does not anticipate filing any additional EOTs in this case.

2. *United States v. Rocha*, ACM 40134 – Contrary to his pleas, Appellant was convicted at a general court-martial of one charge, one specification of indecent conduct, in violation of Article 134, Uniform Code of Military Justice (UCMJ). Record (R.) at 504. The judge sentenced Appellant to reduction to the grade of E-1, forfeiture of all pay and allowances, confinement for 90 days, and a bad conduct discharge. R. at 532. On 26 April 2021, the convening authority took no action on the findings, approved the sentence, and denied Appellant's request for waiver of all

adjudged and automatic forfeitures. The record of trial consists of four volumes. The transcript is 532 pages. There are 22 Prosecution Exhibits, eight Defense Exhibits, and 39 Appellate Exhibits. Appellant is not confined. Counsel has reviewed the entire record of trial, filed a motion to view sealed materials, and is starting to draft the Assignment of Errors.

3. *United States v. Lugo*, ACM S32704 – Pursuant to his pleas, Appellant was convicted at a special court-martial for one charge, one specification of impaired driving, in violation of Article 113, Uniform Code of Military Justice (UCMJ); one charge, one specification of incapacitation from drug use, in violation of Article 112, UCMJ; one charge, one specification of wrongful use of a controlled substance, in violation of Article 112a, UCMJ; and one charge, one specification of violating a lawful general order, in violation of Article 92, UCMJ. Record (R.) at 269. The judge sentenced Appellant to reduction to the grade of E-1, a bad conduct discharge, and confinement for 13 months. R. at 341. Pursuant to his plea agreement, all terms of confinement ran concurrently so Appellant’s total confinement was four months. R. at 261. The convening authority took no action on the findings or sentence of the case. Record of Trial, Vol. 1, Convening Authority Decision on Action, 4 June 2021. The record of trial consists of three volumes. The transcript is 342 pages. There are eight Prosecution Exhibits, 12 Defense Exhibits, and 17 Appellate Exhibits. Appellant is not confined. Counsel has not begun a review of Appellant’s case.

4. *United States v. Lampkins*, ACM 40135 – Appellant was convicted at a general court-martial of one charge, one specification of attempted larceny, in violation of Article 80, Uniform Code of Military Justice (UCMJ); one charge two specifications of larceny, in violation of Article 121, UCMJ; and one charge, 43 specifications of making, drawing, or uttering check, draft, or order without sufficient funds, in violation of Article 123a, UCMJ. Record (R.) at 317.

The judge sentenced Appellant to a reprimand, reduction to the grade of E-1, 46 months confinement, and a dishonorable discharge. R. at 381. The convening authority denied Appellant's request for deferment and waiver of automatic forfeitures and a deferment of reduction in grade. Record of Trial (ROT), Vol. 1, Convening Authority Decision on Action. The military judge recommended that all confinement in excess of 24 months be suspended for a period of two years and one month from the date of the findings to allow Appellant to pay restitution to one of the named victims. ROT, Vol. 1, Statement of Trial Results. The convening authority accepted the judge's recommendation and approved the rest of the sentence. ROT, Vol. 1, Convening Authority Decision on Action. The convening authority took no action on the findings. *Id.* The record of trial consists of four volumes. The transcript is 382 pages. There are two Prosecution Exhibits, 11 Defense Exhibits, and 29 Appellate Exhibits. Appellant is not confined. Counsel has not begun a review of Appellant's case.

5. *United States v. Cannon*, ACM 40136 – Pursuant to his pleas, Appellant was convicted at a general court-martial by a military judge at Malmstrom AFB, Montana for one charge, two specifications of committing a lewd act upon a child, in violation of Article 120b, Uniform Code of Military Justice (UCMJ); and one charge, one specification of attempting to commit a sexual act upon a child, in violation of Article 80, UCMJ. Record (R.) at 255. The judge sentenced Appellant to reduction to the grade of E-1, forfeiture of all pay and allowances, confinement for 18 months, and a dishonorable discharge. R. at 279. The convening authority took no action on the findings or sentence. Record of Trial, Vol. 1, Convening Authority Decision on Action, 27 April 2021. The record of trial consists of six volumes. The transcript is 280 pages. There are four Prosecution Exhibits, one Defense Exhibit, and 31 Appellate Exhibits. Appellant is not confined. Counsel has not begun a review of Appellant's case.

6. *United States v. Heard*, ACM 40159 – In accordance with her pleas, Appellant was convicted of wrongful distribution of marijuana, in violation of Article 112a, Uniform Code of Military Justice (UCMJ); and one charge, two specifications of making a false statement in violation of federal law, in violation of Article 134 UCMJ. R. at 72. The military judge sentenced Appellant to be reduced in grade to E-1, to be confined for 100 days, and to be discharged from the service with a bad conduct discharge characterization. R. at 116. The convening authority took no action on the findings, approved the sentence in its entirety, and dismissed Charge I, Specifications 1 and 2 with prejudice. Record of Trial, Vol. 1, Convening Authority Decision on Action, 17 May 2021. The record of trial consists of two prosecution exhibits, six defense exhibits, and four appellate exhibits. On 6 May 2022, counsel for Appellant submitted a Motion for Enlargement of Time (Sixth) requesting an additional 30 days to submit Appellant’s assignments of error. The Government opposes the motion.

The court has considered Appellant’s motion, the Government’s opposition, case law, and this court’s Rules of Practice and Procedure. The court acknowledges Appellant’s motion includes a statement that “Appellant is aware of his right to speedy appellate review, extensions of time, and consents to this enlargement of time.” However, the court’s order requires future motions for enlargement of time to continue to include such information.

Accordingly, it is by the court on this 9th day of May, 2022,

ORDERED:

Appellant’s Motion for Enlargement of Time (Sixth) is **GRANTED**. Appellant shall file any assignments of error not later than **13 June 2022**.

Any subsequent motions for enlargement of time shall, in addition to the matters required under this court’s Rules of Practice and Procedure, include a statement as to: (1) whether Appellant was advised of his right to a timely appeal, (2) whether Appellant was advised of the request for an enlargement of time, and (3) whether Appellant agrees with the request for an enlargement of time.

APPENDIX

WAIVER/WITHDRAWAL OF APPELLATE RIGHTS IN GENERAL AND SPECIAL COURTS-MARTIAL SUBJECT TO REVIEW BY A COURT OF CRIMINAL APPEALS

(For use in courts-martial referred on or after 1 January 2019)

I have read the attached entry of judgment in my case dated 20210809 AS.

I have consulted with Major Stuart J. Anderson, my ~~(associate)~~ defense counsel concerning my appellate rights and I am satisfied with his/her advice.

I understand that:

1. If I do not waive or withdraw appellate review –

- a. My court-martial will be automatically reviewed by the Air Force Court of Criminal Appeals per Article 66(b)(3) or is eligible for direct review by the _____ Court of Criminal Appeals per Article 66(b)(1)(A-B).
- b. The Court of Criminal Appeals will review my case to determine whether the findings and sentence are correct in law and fact and whether the sentence is appropriate.
- c. After review by the Court of Criminal Appeals, my case could be reviewed for legal error by the United States Court of Appeals for the Armed Forces on petition by me or on request of the Judge Advocate General.
- d. If the Court of Appeals for the Armed Forces reviews my case, my case could be reviewed for legal error by the United States Supreme Court on petition by me or the Government.
- e. I have the right to be represented by military counsel, at no cost to me, or by civilian counsel, at no expense to the United States, or both, before the Court of Criminal Appeals, the Court of Appeals for the Armed Forces, and the Supreme Court.

2. If I waive or withdraw appellate review –

- a. My case will not be reviewed by the Court of Criminal Appeals, or be subject to further review by the Court of Appeals for the Armed Forces, or by the Supreme Court under 28 U.S.C. § 1259.
- b. My case will be reviewed by a judge advocate per Article 65(d)(3). Upon completion of that review, I may submit an application for consideration by The Judge Advocate General under Article 69(b), for review limited to the issue of whether this waiver or withdrawal was invalid under the law. See R.C.M. 1201(h)(4)(B).
- c. An Article 69(b) application must be filed within one year after the date of completion of review under Article 65(d)(3), if I can show good cause for filing later the period may be extended up to three years after the completion date.
- d. I may file a waiver of appellate review at any time after entry of judgment.
- e. I may file withdrawal from appellate review any time before such review is completed.
- f. A waiver or withdrawal, once filed, cannot be revoked, and bars further appellate review. A waiver or withdrawal may not be filed in any case where the sentence includes death.

3. Whether or not I waive or withdraw appellate review, I may petition the Judge Advocate General for a new trial under Article 73 on the grounds of newly discovered evidence or fraud on the court at any time within three years after the date of the entry of judgment.

I understand the foregoing, and I ~~(waive my rights to appellate review)~~ (withdraw my case from appellate review). I make this decision freely and voluntarily. No one has made any promises that I would receive any benefit from this waiver/withdrawal, and no one has forced me to make it.
