* We note that the court-martial order (CMO) of 13 March 2017 contains two errors. First, Specification 3 is missing the language “unlawfully grab [DS’s] neck with his hand and.” Second, the CMO indicates that Appellant was found not guilty of Charge II when in fact Charge II was withdrawn and dismissed with prejudice in accordance with the terms of the pretrial agreement. We find no prejudice, but order the promulgation of a corrected CMO.
